## Experience BCMC to the Fullest!

Denver boasts an average 300 days of sunshine a year and is a city that has embraced environmental sustainability as a core value. What can you do to both enjoy the weather and “be green” while you’re in Denver? Start by choosing one of the BCMC Show Hotels.

### You'll enjoy:

- **Convenience**
  - ▶ All show hotels are within close walking distance of the convention center.
- **Money & time savings**
  - ▶ There is no need to rent a car and pay parking fees. Save time without the need to commute. Use this time to catch up on email or explore downtown Denver.
- **Networking opportunities**
  - ▶ The BCMC Show Hotels are the best place to find your peers after show hours. Don't miss this chance to network, ask questions and help solve the problems you are facing in an informal environment.
- **Supplier hospitality events**
  - ▶ The majority of the supplier events are held at the show hotels. This year, most of the events are held at the Hyatt Regency Denver Convention Center.
- **Business traveler amenities**
  - ▶ All show hotels feature rooms designed with the business traveler in mind. With easy access to high speed internet, your hotel room can easily transform into a remote office.
- **Maximize your free time**
  - ▶ The hotels' concierge service can make suggestions about attractions, restaurants and events depending on your interests.

For three days, downtown Denver will be the epicenter of the component industry. Being in the thick of it is the only way to experience all that BCMC has to offer. Don't miss out on the full BCMC experience!

*“The BCMC show hotels are extremely convenient and reliable. I have easy access to everything I need including close proximity to the convention center and ALL BCMC related events. Staying at the show hotels also provides great networking opportunities which is always an advantage. It is the combination of these things and more that makes the decision easy to stay at the show hotels.”*
